

Practice
with Purpose

GLORIA Golf Training Academy Overview

The Gloria Golf Training Academy is the first of its kind in Turkey, built for golfers of all levels with a passion to learn, improve and be the best. Our **PGA qualified professionals** along with our **Physical Performance Coach** we can create a custom made programme to create a sustainable path to improvement.

Every aspect of golf training can be covered; Mental training, learn how to mentally prepare for playing tournaments and how to concentrate correctly on the course with a qualified golf psychologist.

Rules training with a qualified **DP World Tour referee**, a 2 day course spent on the golf course covering rules all golfers should know.

Special 2 and 3 day intensive camps with leading specialist professionals on putting, short game and Swing analysis.

The Academy clubhouse (450 sq m) is home to Turkey's first and only high tech specialist putting center with **PuttView**, **PuttView X**, **Sam Putt Lab** and **Quintic** technology.

GLORIA Golf Training Academy Practice Facilities

The Gloria Golf Training Academy and practice facilities are the largest in Turkey.

Comprising of **48 covered** bays, **6 grass** tee areas, **5 putting** greens, **6 bunker** greens and **7** pitching & chipping greens.

The driving range is the first full **TrackMan** range in an European Resort with 48 bays all with a 27 inch screen & **TrackMan** radar technology.

TRACKMAN RANGE COVERED BAYS

PUTTING GREENS

PHIL KENYON PUTTING

GLORIA GOLF CLUB OPENS A NEW ERA IN GOLF TRAINING WITH EUROPE'S FIRST PHIL KENYON PUTTING ACADEMY

Gloria Golf Club has set a new standard in golf education by partnering with Phil Kenyon, one of the world's most renowned and respected putting coaches. Through this collaboration, Europe's first 'Phil Kenyon Putting Academy' has opened its doors at Gloria Golf Club. Designed for both amateur and professional golfers, the academy aims to enhance players' putting skills.

GLORIA GOLF CLUB OFFERS THE OPPORTUNITY TO DISCOVER YOUR NATURAL SWING WITH GRF GOLF

- GRF Golf is an innovative guided-discovery learning system created and developed by Marcus Bell, a British PGA Professional and MSC Sport Biomechanist. This unique system uses 'cutting edge' Sport Science Coaching methods to find your natural swing based on Ground Reaction Force (GRF) and human movement principles.
- The GRF Golf Coaching system is a journey of 'self discovery' to find your own individual, effortless and functional golf swing without lot's of technical swing thoughts and 'overthinking'.
- It is a simple and very effective movement based exercise program that enables you to find your best swing by exploring your movement capability and actioning new patterns with a 'new-found' elevated level of self-awareness.
- A new sense of feel coupled with a clearer and deeper conceptual understanding enables you to actualise your natural movement potential for your golf swing, so your action matches your intention, with consistency.
- Ultimately you can trust your swing so you can focus your attention on your golf shot and execute it with confidence playing with freedom.

IMPROVE YOUR GAME WITH GRF GOLF AT GLORIA GOLF CLUB

- You can join us on our 4 day 'GRF Golf Ultimate Experience' 4 day coaching school at Gloria Hotels and Resorts and Gloria Golf Club. Our GRF Golf schools are run throughout the year. The coaching school combines intensive daily coaching with Marcus and the team at the Training Academy plus playing 'on course' with Mark Foster, our GRF Golf Tour Player and Director of GRF Golf Schools. Mark played on the DP World Tour for over 20 years and was a winner of the Dunhill Championship.
- Individual GRF Golf lessons are regularly available at Gloria Golf Club. The team of PGA Professionals at Gloria Golf Training Academy are GRF Golf Coach Ambassadors and trained in the GRF Golf System.

Marco Cosso

ELEVATE YOUR GOLF GAME WITH EXPERT TRAINING

Marco Cosso is a recognised professional Personal Trainer and Strength & Conditioning coach with more than 10 years of experience working with Olympic athletes and amateurs of all levels and age. Whether you're an enthusiast golfer aiming for improving your overall fitness or a professional golfer striving for peak performance, his tailored coaching will help you achieve your goals effectively.

What's your movement baseline? Get screened and begin performing at your best!

Assess your body's movement patterns to identify imbalances or weaknesses that may affect your golf game. The Functional Movement Screen tests 7 fundamental movement patterns that are key to identifying your functional movement quality. Receive a detailed report with findings and recommendations for exercises to enhance your performance.

Pre-golf warm-up session (20-30 min.)

Do you know a proper warm-up can improve your performance by 2-5%. Our expert fitness coach will guide you into individual or group sessions with tailored routines designed to prepare optimally the body for your performance on the course.

Personal Training Sessions (60-75 min.)

Book your one-on-one session with Marco Cosso, our expert trainer with an extensive experience in sport-specific training at all levels and age. Tailored to your individual fitness level and goals, whether you're looking to improve strength, flexibility, or endurance.

Small Group Training Sessions (60-75 min.)

Train in an intimate environment with a small group of up to 4 people for a more personalized experience. Enjoy the motivating atmosphere and take advantage of the support of fellow golfers while benefiting from professional coaching.

Book your initial consultation and take the first step towards unlocking your full potential!
