

OUR MAIN OBJECTIVE IS YOUR SAFE STAY

At Precise Resort El Rompido we are committed to implement all necessary actions to ensure the safety of our guests and staff members. Each of these measures are to make sure all our guests have a wonderful stay in a safe environment, surrounded by nature.

Information and recommendations regarding safety and hygiene are available by the Reception area.

DISINFECTION

We have hand sanitiser available for all our guests throughout the hotel. Furthermore, masks will also be provided upon request at Reception.

ROOMS

All rooms will be cleaned and disinfected everyday with a big focus on taps, door handles, etc.

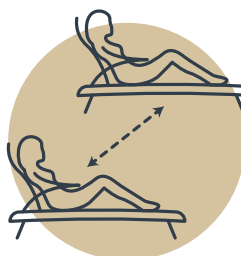

Amenities will be reduced but each room will have complimentary hand sanitiser. Minibar will not be available however should you wish any product you can get in touch with Reception.

Complimentary bottles of water are be available in all rooms.

STAFF

All our team members will be wearing protective equipment and have been trained to make your stay safe.

POOLS

All sunbeds are arranged following social distancing requirements. Furthermore, there are safety and hygiene rules signs available throughout.

Daily deep cleaning of the area will be carried out.

RESTAURANT

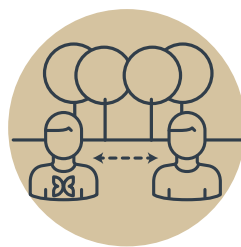

Tables have been arranged following social distancing and maximum capacity requirements.

Our buffet will be served and managed by our team in order to avoid contact with any utensils.

GYM AND SPA

All equipment is disinfected after every use and all areas are thoroughly cleaned throughout the day.

ENTERTAINMENT

All activities will be outdoors and our team will ensure that social distancing is in place.

The Miniclub will have a maximum capacity and all material will be disinfected on regular basis.
