Qured

Testing options for UK based travellers

LFD Fit-to-Fly test (gain entry to US)

Return to UK test (gain re-entry to UK)

Day 2 & 8 tests (testing dependent on UK Government guidelines)

Test-to-Release (testing dependent on UK Government guidelines)

Testing options for overseas travellers

Day 2 & 8 tests (testing dependent on UK Government guidelines)

Test-to-Release (testing dependent on UK Government guidelines)

Fit-to-Fly test (gain re-entry to country of departure)

Booking process

Each type of test must be booked individually, multiple people can be booked at one time. When the results are released, the account holder will be sent an email and text. They can then login and view the results from the 'history' section on their account.

Fit-to-Fly/Return to UK LFD test

Government mandated travel tests using LFD*

- Standard Price = £39 per kit
 - These are delivered via Royal Mail or courier for an extra £29
 - Tests are booked before travel as mandated by the government and provide a signed certificate to validate the result by Qured's Medical Advisor
- Keep the test in your luggage and book a video consultation via the booking link 4 days before taking the test.
- Follow the Health Advisor's instructions and results will be visible within 20 mins and verification within one hour.
- Travellers receive a PDF certificate to validate their result.

*Subject to changes to UK Government guidelines

* Partnership Discount not applied

Day 2 and Day 8 testing

Government mandated PCR tests for Day 2 and Day 8 testing*

- Standard Price = £198 per bundle
 - These are delivered via Royal Mail on day 2 and day 8 of the traveller's quarantine
 - Just day 2 via Royal Mail = £99 per kit
 - Tests are booked as a bundle before travel as mandated by the government
- Results available within 24 hours from receipt of the test at the lab.
- The test meets UK Government's requirements for quarantine testing

*Subject to changes to UK Government guidelines

* Partnership Discount not applied

Test to Release PCR test

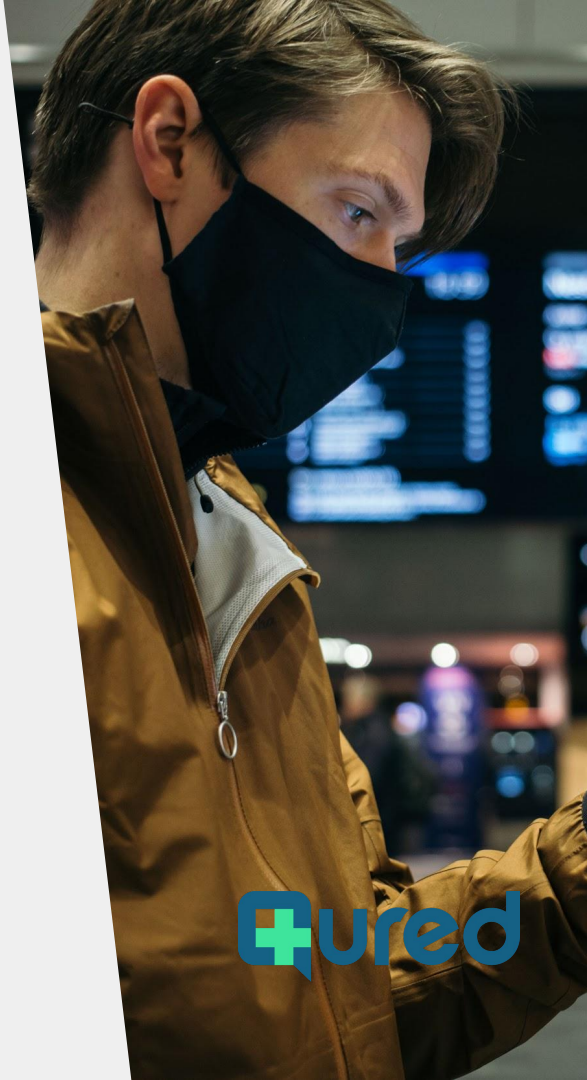

Qured's PCR testing service can be used by travellers to shorten their 10-day quarantine once back in the UK to 5 days by proving a negative test result.*

- Standard Pricing: £99+ per kit.
- Results are available within 24 hours from receipt of the test at the lab.

Travellers must still take a PCR test on Day 2 and 8 of their mandatory quarantine.

*Subject to changes to UK Government guidelines

* Partnership Discount not applied

Answering patient booking concerns

LFD Test Booking Process

Step 1: Booking

Patients will be sent a unique link to sign up and book their virtual clinic slot.

LFD Booking Process

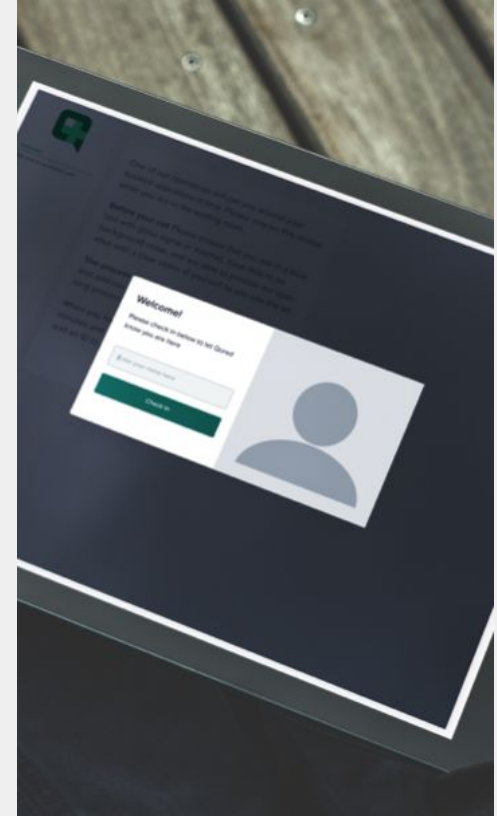

Step 2: Test Delivery

The patient will receive the test kit directly from their employer or we will post it to them.

LFD Booking Process

Step 3: Appointment Check-in

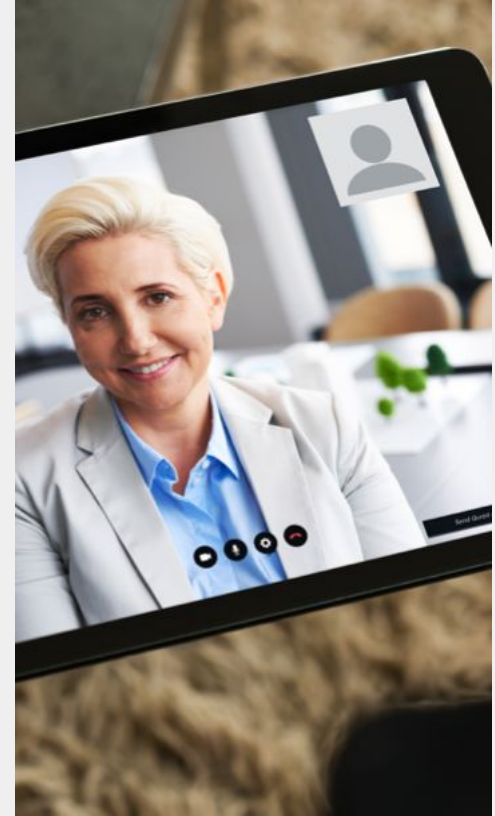

Prior to the appointment the patient will receive a link to access Qured's secure vide consultation platform. They will then be asked to enter their name.

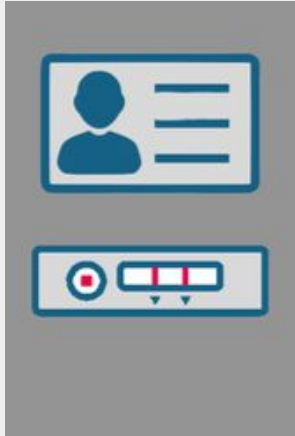

LFD Booking Process

Step 4: Test Video Consultation

The patient will enter the virtual waiting room and our expert Health Advisor will start the call at their chose time. The patient will then be guided through the test procedure and the whole process takes around 10 minutes.

LFD Booking Process

Step 5: Results and Verification

Result is available 20 minutes after the patient has added the swab solution to the LFD.

Patients will then email a photo of their ID and the LFD to Qured for verification.

The patient will then receive the verified result by email with a fit-to-fly certificate to upload to VeriFly.
